

**A.I.C.E. Psychology**  
**Brentsville District High School**  
**Mr. MacDonald**  
**Curriculum Overview**

Parents and Students,

You will find below a list of topics in our course of study this year. I will be posting enrichment activities for students to work through/review if they wish. I will also post additional preparatory materials for the final unit and Cambridge exam to be started on March 30. I cannot grade the work, but I can at least provide materials. Please remember that this is a fluid situation so things may change. Please let me know if you have any questions.

**Part A.** *Unit titles and course material covered August 26, 2019 to March 12, 2020*
