Amanda Burke, Principal

Dear Brentsville Seniors,

The administration of Brentsville District High School has agreed to allow senior students to paint their parking spaces. Choosing to decorate your space allows you to not only personalize your space but creates a dedicated parking space for you during school hours.

Please know you must purchase a PWCS/BDHS parking pass for \$103 and also pay an additional fee of \$27 to paint your spot via <https://www.studentquickpay.com/pwcs/>. Check or cash will not be accepted.

Approval Process Steps

- 1) Submit completed and signed PWCS Parking Pass Application to BDHS main office and \$103 payment via StudentQuickPay
- 2) Submit completed and signed Painted Parking Space Contract and proposed design sheet to BDHS main office and \$27 payment via StudentQuickPay
 - Once your design is approved by Mrs. Burke you will receive an approval email from Mrs. Pugnetti and Mr. Barrickman
- 3) Paint your parking space

Parking Space Decoration Expectations

Students must submit a design for consideration and receive approval PRIOR TO painting a parking space. The design should be completed on the Senior Parking Design Request form. The form should be completed in color and be an accurate representation of the design. Adjustments to designs are not permitted after approval. All paint used must be water based latex paint – absolutely no spray paint, reflective or fluorescent paint may be used.

End of Year Requirement

Students are expected to paint over the design in black by May 1, 2027.

These designs will be displayed on school property and could appear to be school, or school division endorsed. Therefore, designs that are religious, political or controversial in nature will not be approved. The administration of Brentsville District High School reserves the right to not approve any design that it deems offensive or inappropriate. The judgement of appropriateness of design is at the sole discretion of the school administration.

Prohibited designs include but are not limited to:

- Offensive language, pictures or symbols
- Negative or rude language
- Gang-style tagging
- Double entendre
- Other students' names or likenesses

Class of 2027 Painted Parking Space Student Contract

Name:

Student ID Number:

Address:

Phone Number:

License Plate Number:

Parking Pass Permit Number:

I hereby agree to abide by all the following rules and regulations corresponding to my privilege of having a painted parking space:

- I will only paint within the approved parameters of my space (see Design Request Sheet)
- I will only paint my approved design.
- I will only use water-based exterior latex paint. No spray paint, reflective paint or fluorescent paint of any kind will be used.
- I understand that the school will not supply any items to me. I must supply my own brushes, paint and any other necessary supplies.
- I will park only in my assigned parking space, and I will notify administration if someone else is parked in my parking space during school hours.
- I understand that my painted design must be completed after 2:30 pm on school days or on the weekend before October 11, 2026. Painting will not be allowed after this date.
- I agree to paint over my design in black water-based exterior latex paint prior to May 1, 2027 and clean up all paint materials.
- I understand that failure to abide by any rules, regulations or guidelines may result in forfeiture of my parking space and my design may be painted over with no refund given. Judgment on appropriateness will be at the sole discretion of the school administration.

Senior Parking Proposed Design Request

This design sheet must be done in color and must represent exactly what will be painted on your parking space to be considered.

The diagram shows a rectangular parking space design template. It consists of three concentric rectangles. The outermost rectangle is labeled "White Painted Line" at the top. The middle rectangle is labeled "4\" unpainted border" at the top. The innermost rectangle is also labeled "4\" unpainted border" at the top. On the left side, the outermost rectangle is labeled "White Painted Line" and the middle rectangle is labeled "4\" unpainted border". On the right side, the outermost rectangle is labeled "White Painted Line" and the middle rectangle is labeled "4\" unpainted border".
