

Dear Students and Parents,

March 23, 2020

I hope that everyone is doing well and staying healthy. I am sure you have been getting the updates from the county regarding the school closure and class expectations. This week we will be in "Phase 3" of what the county sent out. In a nutshell you won't be getting any new assignments, just *optional suggested* review materials. I'm going to reiterate what I sent in my update last week.

- Make sure you can access Edmodo
- Review and finish Unit 8 homework and review

If you would like to begin studying for the final/SOL I have attached links to some review materials below. Although the SOL is not certain the reviews will be beneficial for preparing for an end of course final. The only material we haven't yet covered is probability and statistics. I will post keys to these reviews on Edmodo by the end of the week.

[Strand 1 Review](#)

[Strand 2 Review](#)

[Strand 3 Review](#)

[Sample SOL](#)

I will have my email open during the day to field questions and help to answer as best I can virtually.

Until you hear from me again,

Mrs. Grandy
